* As a committee of the School Board, the Equity Advisory Committee will accept public comment at this meeting prior to discussing, revising, and voting on a draft summary report to submit to the School Board. Public comment at this meeting will be accepted for a maximum of 30 minutes. Each speaker will be allotted 1 to 3 minutes based on the number of speaker request forms received by the start of public comment; no forms will be accepted after public comment begins. Public comment at this meeting is limited to the committee's areas of focus within Seminole County Public Schools, including issues regarding School Board policies and practices that impact the education and treatment of children and employees, steps to take in our school and work communities in order to more fully cultivate a sustained environment of equity, and initiatives, ideas, and programs that foster the SCPS culture of equity.
