SEMINOLE COUNTY PUBLIC SCHOOLS

AGENDAS

School Board Policy 0165.1

It is not the intent of the Board to deprive any person of his/her right to freedom of expression. It is, however, the intent of the Board to promote mutual respect, civility, and orderly conduct on the part of members of the public appearing before the Board. The Board expects positive communication and will not permit disruptive, volatile, hostile, or aggressive communications on the part of speakers.

NOTICE:

If any person appearing before the School Board anticipates or expects that he or she might appeal any decision made by the School Board, that person will need a record of the proceedings. It is the responsibility of such persons to ensure that a verbatim record of the proceedings is made and that the record includes the testimony and evidence upon which the appeal is to be based. Florida Statute 286.0105.

The purpose of the public participation segments of the Board Meeting, which is a limited public forum, is to allow the public to address matters within the Board's jurisdiction and not for resolving individual grievances or disputes. Public comments related to education, the Board agenda, and the District are welcome and encouraged. A public comment opportunity is not, however, an open forum to discuss matters unrelated to education, to support or oppose candidates for public office, or to engage in commercial speech attempting to sell a service or product to the Board or the public. Also, public comment is not a forum to engage in personal attacks against school system employees or Board members. The "Public Comments" segment of the meeting is provided for the purpose of permitting persons to present specific matters to the Board related to Board/School District business or operations, and items on the Board's agenda. To maintain orderly department, the Public Comments segment of the meeting may not be used for any other purposes including presentation of political and/or campaign issues, announcing candidacy and/or campaigning, matters involving disciplinary actions, pending employee disciplinary matters, or pending claims, complaints, or litigation to which the Board, District or District personnel is a party. Individuals may not utilize any demonstrative aids when providing public input. Statement(s) regarding a proposition before the Board shall be limited to three (3) minutes duration. One designated group representative speaking on a proposition before the Board will have a maximum of six (6) minutes. If a speaker goes off topic from the specified agenda item, the presiding officer or parliamentarian, at the direction of the presiding officer, may interrupt the speaker to ensure the meeting continues in an orderly manner. Statement(s) regarding non-agenda items made by a member of the public shall be limited to two (2) minutes duration and shall occur after the Board concludes its business agenda. No speaker may yield his/her time to any other person. Substitutions of speakers will not be allowed, except in exceptional circumstances as determined by the presiding officer. Speakers shall direct their comments only to the Board and may not address the audience or other speakers. **School Board Policy 0169.1 Public Participation at Board Meetings.**
